RIGHETTI HIGH SCHOOL PARKING PERMIT PROGRAM

The Santa Barbara County Board of Supervisors approved a parking permit program for the neighborhoods surrounding Ernest Righetti High School in August 2002. There are approximately 450 homes which are affected by this parking permit program.

Currently, residents in the designated areas are allowed one (1) permit per registered vehicle and two (2) guest permits per household. Proof of residency and photo identification are required to obtain the permits, which are obtained from Melody Martin at the Sheriff's Department, 812-A W. Foster Road, Santa Maria, 805-737-7940. An appointment is necessary to obtain the permits.

Vehicles displaying a valid permit will be exempt from the limited time parking zone restrictions on designated streets. Permit must be displayed in the vehicle on the dashboard, and the permit number must be visible to be valid. Failure to display this permit may cause a parking citation to be issued in violation of Santa Barbara County Ordinance 23B-18(d) [Parking Without a Permit].

The County of Santa Barbara reserves the right to revoke permits at any time and is not responsible for lost, stolen, or damaged permits.

Parking permits are for the sole use of residents and are non-transferable. It is a violation of Santa Barbara County Ordinance 23B-18(b) [Transfer of Permit] to give away, loan, or sell a parking permit. It is also a violation of Santa Barbara County Ordinance 23B-18(c) [False Permit] to display a photocopy of a parking permit.

The fine for each of the violations listed above is \$32.50.

Permits are not valid for trailers. Also, no detached trailer, fifth wheel, or equipment can be stored on any public street, highway, or right-of-way within the County for a period of 24 or more hours (Santa Barbara County Ordinance 23-13.10)
